Supervisor Hall advised the Town can do it for the Volunteer Fire Dept., Ambulance/EMT's, just get it done. There is not big cost to doing it.

Dale Clark requested that the Town Board meet with the Dire Dept. sometime, and Supervisor Hall suggested that the Board meet with the Fire Dept. prior to the next meeting in July 15<sup>th</sup> at 6:30 pm.

Leslie Dahill thanked the highway and water dept. for cutting the grass around the fire hydrants. There was also a reminder that the communication Board out front can be used for any Public Service announcements.

OIC, BJ Howe questioned on the ATV/LUV Law the use of the "golf carts" ones used in the campground, they are considered under the Limited Use vehicle law clarifying if they were including in having to register with the Town and get the sticker. Supervisor Hall advised they are included and should register if they are to ride outside the campground to what ever destination they are going to. If registered you know that they are insured.

WATER DEPT.

Shawn Dunnmire #0290, address 4134 Co. rd. 1, is asking for a credit of \$244.05 plus the late fee of \$16.40 penalty. He states there is no meter there, Oakley Sortore advised his guys put in a meter there, unless someone stole it. There has been no water usage in 4 quarters and no request to turn it off.

After Board discussion,, It was decided that the Town Clerk will make an official turn off water service notice form so that it will be clear when a customer wants it turned off and we will have a record. The Board made the following motion:

Motion that as of this quarter the water will be officially turned off at 4134 Co. rd. 1 and the o/m charge will no longer be assessed on the next bill, and the current bill stands due, nothing will be forgiven, offered by Steve Ritter, seconded by Jill Hoopes.

There was Board discussion ; Oakley Sortore stated that he has one of his guys doing the mowing with the Town mowing tractor. Discussion whether contracting someone to do all of the cemeteries and mowing for Friendship would be financially beneficial instead of paying someone Union wages to do it, then our Town Employee could be doing something else besides mowing.
