Thank you for your assistance and cooperation in educating the residents of Allegany County.

Pharmacies and health care providers throughout Allegany County continue to offer vaccinations including the flu shot. The Allegany County Department of Health (ACDOH) encourages residents to visit their local pharmacy, health care provider, or one of our clinics for their flu shot this season. The Allegany County Department of Health will offer flu shot clinics at the ACDOH clinic located on the ground floor of the county office building and one clinic in each legislative district* in Allegany County.
